Parents Evening

Thank you to all the parents who attended our Parents Evening on Tuesday, we hope you found the meetings useful to see what your child's targets are for the year. The Nursery Parents Evening will take place on Thursday 29th November. More details will be sent out next week regarding this.

New end of school day wet dismissal procedures

In the event of a wet end to the school day all classes will continue to be dismissed from the playground.

Please can ALL children come to school with a coat with a hood. To ensure that they do not get wet all children must have a school coat with a hood. Please do not send children in with umbrellas as you will appreciate we do not have storage for 200 or so umbrellas! Also please be reminded that we do not have sufficient shelter for all adults collecting children on a wet afternoon so please come prepared to shelter yourself and or buggies from the rain.

All children will be brought down from class by the adult who dismisses them so it is important that all children have a coat with a hood to protect them on rainy days.

Children attending clubs will be collected from the lower hall on wet days by the club provider.

Living Wall Update

Last week the Mayor of London pledged to give the project £32,000 which is nearly half of the money needed. However, we still need to raise another £29,000 by December 14th. If you haven't donated yet and would like to then please use the link below. Thank you for all your donations!
