

Dear Parents/Carers

Welcome to Aktiva Camps After **School Club** at St Marys Primary School. We are delighted to be back at school to provide fantastic extended schools services and look forward to working with you and your children to create a stimulating and exciting service in a safe, fun and friendly environment.

We will host our sessions from William Hogarth School just across the road. The Aktiva Team will collect your children from their class teacher at the end of the school day and walk them across to our provision.

The collection point will be the entrance on Devonshire Street. There is a big red Aktiva banner next to the gate. When you are five minutes away, why don't you call the team and we will get your child ready for your arrival. Please note that some of our fun activities take place in the school hall so we may be a few minutes coming over to you.

Online booking for After School Service is now open. Please click on this link <https://booking.aktivacamps.com/login> to create an account where you will be able to book a yearly pass (paid monthly). If you have further queries please email bookings@aktivacamps.com.

We have been working with the team at the school to devise our set up of the Aktiva space so that we are following the Government guidelines in response to the Covid-19 Crisis. **We have planned and adapted our programmes to meet social distancing requirements, the use of equipment and current restrictions.**

The Aktiva team get to know the children on an individual basis and together they plan inspiring and exciting activities that best meet the children's needs and wants. The team will also devise active sessions that will inspire the children to try new things, building confidence and broadening their experience.

In the afternoon we provide a snack which includes wraps and sandwiches, fruit, cheese and crackers and crudities/dips. Children are encouraged to help us plan our menus and contribute in selecting their favourite things.

If you have any questions or wish to discuss this letter further, please do not hesitate to contact the Aktiva Team on bookings@aktivacamps.com

We look forward to welcoming you all.

Best wishes

The Aktiva Team
